No attendees this week – meeting did not occur.

Meeting Summary:

Although we did not meet with the client this past week, our team has been preparing for the upcoming recurring meetings starting this Thursday. Based on our previous discussion, we have been working proactively on several items to ensure we are ready for a productive session.

Action Items (Project Team):

- Research insights and gather graphics for proposed remodel concepts
- Began developing graphics and execution strategies, supported by research
- Scheduled our upcoming appointment and began drafting meeting questions and a detailed agenda
- Created a preliminary analytics document using current social media data to establish a baseline for future comparisons
