

Project Plan

- Following Cedric's feedback, our revised project plan focuses on analyzing social media metrics—such as likes, comments, and shares—and developing a comprehensive media strategy for all of Roots Africa's platforms. Additionally, we aim to improve internal communication and meet with Cedric to finalize and approve the updated media plan.
-

Planned Activities:

- Analyze metrics on top-performing social content across platforms
- Develop a media strategy grounded in engagement data
- Finalize storytelling direction using empathy and testimonies
- Define team roles for social media (Anya, Christina, Sumiyah) and internal communications (Amanda, Abd Dullah)
- Integrate narratives from Pod Leaders and changemakers
- Research and draft proposals to improve podmaker communication
- Explore ideas for enhancing digital infrastructure (apps, messaging tools)
- Schedule and prepare to meet with Cedric to finalize the media plan
