

**Meeting Attendees:**

- Sumiyah, Anya Dhuria, Christina, Cedric – *Did not attend; requested a briefing via WhatsApp.*
- 

**Brief Meeting Summary:**

During the debrief, we discussed optimizing post timing to better engage our audiences in Liberia, Uganda, and the U.S. We acknowledged the importance of scheduling posts based on the varying peak times of each region. We also reviewed current media file progress, discussed strategies for driving greater engagement, and considered content creation and scheduling capabilities. Additionally, we requested feedback from Cedric to finalize plans.

---

**Action Items:****Project Team Items:**

- Share collected media data with the client.
- Develop a draft content creation and scheduling plan.
- Research and recommend best practices and unconventional strategies for driving engagement.
- Propose a preliminary content schedule for client review.

**Client Items:**

- Review shared collected data and provide feedback.
- Confirm if Cedric has additional preferences or feedback.
