

Roots Africa: Informational Storytelling and Social Media Strategy

Team: Amanda Tuman, Christina Cosentino, Sumiyah Yusuf, Anya Dhuria

Critical questions about the organization for the client:

- What specific programs does ROOTS Africa implement? How do they measure their impact and success?
- How sustainable are ROOTS Africa's initiatives? Is there potential for scaling their programs?
- What challenges has ROOTS Africa faced, and how have they addressed them?
- What are ROOTS Africa's future goals and strategies for achieving them?
- Has ROOTS Africa received any awards, recognitions, or positive reviews from credible sources?
- What role does technology play in your agricultural education and mentorship programs?
- When was ROOTS founded, the initial purpose, and what inspires it to continue its legacy?
- What are you currently doing to promote ROOTS?
- Is there a specific demographic you want to cater to? College students?
