

Project Scope and Objectives

Roots Africa is on a mission to fight hunger and poverty by connecting African farming communities with agricultural experts through partnerships with academic institutions. Our capstone project is all about helping them tell their story in a more powerful way and strengthening their digital presence so they can effectively share their mission, impact, and community transformation efforts.

Our Key Objectives:

- Develop a compelling and consistent narrative that reflects Roots Africa's mission and values.
- Create a structured content strategy to improve their digital storytelling.
- Boost their social media presence to increase engagement and reach.
- Provide recommendations for sustainable content management.

Deliverables

Content Audit & Needs Assessment

- Review Roots Africa's existing digital content and social media presence.
- Identify areas for improvement and opportunities to enhance engagement.

Narrative Development

- Craft a strong story framework that showcases Roots Africa's mission, impact, and initiatives.
- Develop key messaging tailored for different audiences and stakeholders.

Content Strategy & Calendar

- Design a structured content plan with clear guidelines on themes, tone, and post frequency.
- Establish content pillars that align with Roots Africa's goals.

Social Media Optimization

- Provide strategies to improve engagement and reach across platforms (Facebook, Instagram, Twitter, LinkedIn).
- Share best practices for multimedia content, hashtags, and audience targeting.

Implementation Plan & Training

- Develop a roadmap for sustaining and growing Roots Africa's digital presence.
- Conduct training sessions or provide instructional materials on content creation and management.

Final Presentation & Documentation

- Present our final recommendations and deliverables to Roots Africa.
- Provide a comprehensive report with guidelines, templates, and next steps.

Success Metrics & Expected Outcomes

To measure our impact, we'll track:

- Growth in social media engagement and followers.
- Clearer, more consistent messaging across all platforms.
- Adoption of the content strategy and storytelling approach by the Roots Africa team.
- Positive feedback from stakeholders on the improved digital presence.
